Meet PC-LinkSM. The affordable, easy-to-use, online service designed especially for Tandy owners.

With PC-Link, access to computing help, information, and resources is just a keystroke away. PC-Link is the fastest way to get help directly from the experts at Radio Shack®. You'll get personalized answers to your questions from the folks who made your computer. Learn shortcuts and hot tips to make computing easier. Follow the latest news, stock quotes, weather, and sports. Look up facts using an online encyclopedia that's updated regularly. Pick out your favorite items from an online store and have them delivered to your home.

**PC-Link is affordable:
Only \$9.95* a month!**

You can access all of these services, and more, for just \$9.95 a month! And, with over 600 access numbers (yours is in the PC-Link Connect Guide), all of these services are only a local phone call away!

PC-Link is easy to use.

Using a modem (a device that connects your computer to your telephone line) and the PC-Link software located on your DeskMate disk (included with your Tandy computer), you can instantly connect to a nationwide network of information, services, and people! The simple, menu-driven PC-Link software takes only minutes to master! Since there are no difficult commands to

remember, you and your family will spend time enjoying the service, not figuring out how to use it!

**Take a free tour of PC-Link right now
— no modem needed!**

Even if you don't have a modem, you can take a tour of PC-Link right now — absolutely free! From the DeskMate desktop, tab over to the PC-Link box and press *enter* to select it. Then, sit back and see a demonstration of all the services PC-Link has to offer!

Try PC-Link for one month — FREE!

We're so sure that you're going to like PC-Link that your first month of membership is FREE (a \$9.95 value). That's *unlimited* access to all the useful and exciting services described inside this brochure! You'll have plenty of time to experiment and explore the world of PC-Link — at no cost to you!

But first, check inside for more on the exciting world of PC-Link. . .

* Rates higher during business hours and in Alaska and Hawaii

PC-Link offers all of these services for only \$9.95 a month!

Get the scoop on new software before you buy

Learn about new software before you buy with PC-Link's Software Buyer's Guide. Get the latest information on new and upcoming software releases. Read accurate, insightful software reviews that will help you make informed purchasing decisions. You'll find information about discounted and free software for every application — many programs you can access and keep — in PC-Link's software libraries.

Get personalized computing help directly from Radio Shack®

PC-Link, the Tandy online service, gives you instant access to Tandy headquarters. The people who made your computer will answer your questions — fast and online! Post your questions through the Tandy Hotline, and Tandy experts will get back to you with an answer within two business days! As a member of PC-Link's Tandy computer user community, you'll be the first to hear about new products. Enhance your computing skills by sharing shortcuts and tips with fellow Tandy users. With PC-Link, you'll quickly master the power and capabilities of your Tandy computer.

Educate yourself and your family

Look up facts in seconds using an online encyclopedia that's updated four times a year! PC-Link has the entire, 20-volume Grolier Academic American Encyclopedia™ online. With over 30,000 articles, and thousands of cross-references, you and your children will easily find information on any topic. Looking for a college for your teenager? PC-Link's Reference Desk has up-to-date profiles on hundreds of colleges and universities. Or, test your wits in PC-Link's Quiz Center! You can test your knowledge in exciting rounds of Academic Bowl, and news, trivia, and sports quizzes. PC-Link is a great way to spur your intellectual curiosity and make learning fun!

Take a free tour of PC-Link!

Why not find out right now what PC-Link can do for you and your family? Take a free tour of PC-Link! No modem is necessary — just insert the DeskMate 3.0 disk included with your computer into the disk drive. From the DeskMate desktop, tab over to the PC-Link box, and press *enter* to select it. Then, sit back and see all the services PC-Link has to offer!

If you have a modem, join today!

If you have a modem, you have everything you need to join PC-Link right now. Simply pop your DeskMate 3.0 disk into the disk drive and follow the easy instructions in the PC-Link Connect Guide (included with your computer). If you need a modem, visit your nearby Radio Shack Computer Center or participating Radio Shack store or dealer and purchase one today — it's your link to the unlimited services and fun of PC-Link!

Save time and money by shopping online

Shopping's a breeze and easy on the feet when you shop at home with PC-Link! Plan a personal or business trip and find the lowest fares, making airline, hotel, and car rental arrangements with American Airline's EAAasy Sabre® travel service. Shop online, order online, and have your purchases delivered right to your door! With Express Music's™ online catalog, you can order records, tapes, and compact discs and have them delivered to your front door. Stop by the Magazine Kiosk and subscribe to your favorite magazines at reduced rates. Send roses to a friend. Tell the world you are a PC-Link member by wearing a PC-Link T-shirt you order online in the PC-Link Store. PC-Link is the quick, convenient, and inexpensive way to shop from your own home!

Make smart financial decisions

Follow your stocks, and get accurate, timely information to manage your investment portfolio. Watch global and economic trends in seconds — all from your own home. Get quotes on the stocks you select as they come off the wire, and read closing summaries of all the major markets. Follow the earnings of top corporations. You'll find detailed information on the leading economic indicators, and receive valuable personal investing tips from USA Today's business editors. Tap into a variety of financial resources to make educated personal investment decisions.

Stay informed on today's top news

PC-Link connects you to the outside world with a keystroke! The top stories, compiled from the dispatches of eight of the world's largest news wires, are summarized and updated throughout the day. Get the latest coverage of world affairs, politics, sports, business, and the weather—when you want it. The latest financial market summaries and the USA Today Business Report will help you stay on top of the ever-changing business world. You'll be the first to know about the winners, losers, and latest scores with USA Today's Sports Update. PC-Link is the easiest, most convenient way to keep up with current events!

Keep up with the entertainment world

With PC-Link, you'll have instant access to all the news, reviews, and gossip surrounding your favorite TV shows, movies, and celebrities, updated daily on the Hollywood Hotline™ News. Movie reviews will help you spend your family entertainment dollars wisely. Daily soap opera summaries keep you up-to-date when you miss an episode. You can even check your daily horoscope! With RockLink™, you'll get the latest, most accurate information on the stars, record releases, album and concert reviews, and more — all from rock music industry insiders.

Unlimited access for only \$9.95 a month

Use any and all of PC-Link's features as often as you like for just \$9.95* a month — and your first month of membership is FREE!

* Rates higher during business hours and in Alaska and Hawaii

Get fast, friendly online help

PC-Link's online Customer Service department makes it easy to enjoy PC-Link! Whether you need help getting around PC-Link, or are looking for a schedule of events, head for PC-Link's Customer Service area for fast, friendly help. A Members' Online Guide contains descriptions of PC-Link features, tells you how to use them, and gives you shortcuts and hints on getting around the system. Post a question to Customer Service, and a friendly customer service representative will get right back to you. Daily and weekly schedules help you plan your online activities. And you'll find out about the exciting new features and services we're always adding to PC-Link!

Receive PC-Link's monthly magazine FREE

As a PC-Link member, you'll receive a free subscription to *PC-Link Update*, your monthly guide to all the exciting events online! It's free to members, and delivered right to your home. Every month, you'll receive this colorful, informative magazine, which contains daily schedules of online events and in-depth articles on topics of interest to you — from personal computing and business to education and entertainment. *PC-Link Update* will help you to make the most of your time online!

PLUS!

Meet Tandy and Radio Shack computing staff, teachers, business experts, software publishers, and friends in PC-Link Plus.

PC-Link Plus is a premium service available to all PC Link members that allows you exclusive access, on a pay-as-you-use basis, to additional educational and entertaining services.

Attend live conferences with experts on subjects ranging from computing to baseball. Get computing tips from Tandy hardware experts. And, learn hints on using commercial software programs from the publishers themselves.

Access a variety of free and discounted software, and build your own library full of useful programs. Have a tutor help your child with nightly homework. Take a class in an online college. Shop for bargains in Comp-u-store's® 250,000-item electronic department store. Chat live with new friends from across the country. Join a club and pursue your special interest or hobby. Send and receive electronic mail. Play games with new friends. Post messages on interactive bulletin boards. And, much more!

To take advantage of PC-Link Plus, you must be a PC-Link member. When you use PC-Link Plus services, you pay only 10 cents a minute, and *only* for the Plus services you use. Just sign-up for PC-Link now and you can try the premium PC-Link Plus services FREE!

Questions? The call's on us!

If you have any questions, or need additional information about PC-Link, please call us! We'll be happy to explain more about what the service offers, what's included, how easy it is to use, and more.

To join, or to find out more, call PC-Link today!
